DLA Piper LLP (US) and DLA Piper (Puerto Rico), LLC (together, “DLA Piper”), as authorized counsel to the Puerto Rico Fiscal Agency and Financial Advisory Authority (“AAFAF”), the entity authorized to act on behalf of public corporations and instrumentalities of the Government of Puerto Rico in the above-captioned cases under Title III of the Puerto Rico Oversight, Management, and Economic Stability Act (“PROMESA”), pursuant to the authority granted to AAFAF under the Enabling Act of the Fiscal Agency and Financial Advisory

¹ The Debtors in these Title III Cases, along with each Debtor’s respective Title III case number and the last four (4) digits of each Debtor’s federal tax identification number, as applicable, are the (i) Commonwealth of Puerto Rico (Bankruptcy Case No. 17 BK 3283-LTS) (Last Four Digits of Federal Tax ID: 3481); (ii) Puerto Rico Sales Tax Financing Corporation (Bankruptcy Case No. 17 BK 3284-LTS) (Last Four Digits of Federal Tax ID: 8474); (iii) Puerto Rico Highways and Transportation Authority (Bankruptcy Case No. 17 BK 3567-LTS) (Last Four Digits of Federal Tax ID: 3808); (iv) Employees Retirement System of the Government of the Commonwealth of Puerto Rico (Bankruptcy Case No. 17 BK 3566-LTS) (Last Four Digits of Federal Tax ID: 9686); and (v) Puerto Rico Electric Power Authority (Bankruptcy Case No. 17 BK 4780 LTS) (Last Four Digits of Federal Tax ID: 3747). (Title III case numbers are listed as Bankruptcy Case numbers due to software limitations).

Authority, Act 2-2017, and on behalf of the Puerto Rico Treasury Department, makes this first interim application (this “Application”) for allowance of compensation, under PROMESA sections 316 and 317, of \$1,507,737.15 and reimbursement of expenses of \$14,969.63 for the period from June 1, 2017 through January 31, 2018 (the “Compensation Period”).² In support of this Application, DLA Piper respectfully states as follows:

JURISDICTION AND VENUE

1. This Court has jurisdiction over this Application pursuant to PROMESA § 306(a).
2. Venue is proper before this Court pursuant to PROMESA § 307(a).
3. The statutory bases for the relief requested herein are PROMESA §§ 316 and 317.

BACKGROUND

4. On May 3, 2017, the Financial Oversight and Management Board for Puerto Rico (the “Oversight Board”), acting as the representative of the Commonwealth of Puerto Rico (the “Commonwealth”), filed with this Court a petition under Title III of PROMESA (the “Title III Case”).

5. At AAFAF’s request, DLA Piper has submitted monthly fee applications to the Fee Examiner and served those applications on the Notice Parties. No party has raised an objection to any of DLA Piper’s monthly fee applications.

COMPENSATION REQUESTED BY DLA PIPER

6. By this Application, DLA Piper seeks entry of an order granting interim approval of (i) compensation in the amount of \$1,464,561.60 for professional services rendered to AAFAF and the Puerto Rico Treasury Department during the Compensation Period, which amount is derived from the applicable hourly billing rates of the firm’s personnel who rendered such

² AAFAF has requested that DLA Piper submit this interim application for compensation and reimbursement. DLA Piper reserves its right to argue that it is not subject to the requirements of the *First Amended Order Setting Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* [ECF No. 1715].

services; (ii) reimbursement of actual and necessary out-of-pocket disbursements and charges in the amount of \$14,969.63 incurred in connection with the professional services provided on behalf of AAFAF and the Puerto Rico Treasury Department during the Compensation Period; and (iii) compensation in the amount of \$43,175.55 for professional and paraprofessional services rendered in connection with the preparation and submission of DLA Piper's Title III fee applications.

7. In December 2015, DLA Piper was engaged by Government Development Bank for Puerto Rico ("GDB") to provide services regarding (i) tax issues of the Commonwealth, particularly the formulation of a corporate tax reform and (ii) the business operations and continuing disclosure obligations of the Commonwealth and its agencies as issuers of tax exempt debt. Upon the creation of AAFAF and its undertaking of GDB's duties as fiscal agent and financial advisor of the Commonwealth, those engagements were formally transferred to AAFAF in August 2016, in addition to other matters related to the ongoing engagements particularly (i) advocacy in Washington to obtain economic development legislation in favor of the Commonwealth, (ii) the preparation of the Commonwealth Report, and (iii) the analysis and formulation of a banking reform. DLA Piper has been providing similar business and disclosure advice since December 2015. DLA Piper has not provided professional services to AAFAF or the Puerto Rico Treasury Department in connection with the Title III Case, other than the preparation and filing of fee applications.

8. The scope of DLA Piper's engagement by AAFAF is set forth in (i) a contract for the provision of professional services between DLA Piper LLP (US) and AAFAF dated July 7, 2017, and (ii) a contract between AAFAF and DLA Piper (Puerto Rico) LLC (collectively, as

have been or may be amended, the “Engagement Contracts”).³ Pursuant to the Engagement Contracts, payment of all fees and expenses detailed in this Application will be made exclusively by AAFAF from its own allocated funds and from funds allocated by the Puerto Rico Treasury Department. DLA Piper has agreed to provide a 10% discount on certain professional fees incurred under the Engagement Contracts. In the case of DLA Piper LLP (US) invoices, the discount is reflected in each bill at the bottom of the invoiced fees. In the case of DLA Piper (Puerto Rico) LLC, the discount is higher since it reflects an additional 10% discount that has been recently agreed after the standard rates were already discounted in more than 10%, in order to accommodate AAFAF’s request that the work to be done in Puerto Rico be similar to rates of other local law firms used by AAFAF. These discounts are included in the rates. The additionally discounted rates for DLA Piper (Puerto Rico) LLC were agreed in February 2018 and the reduction in such rates will be reflected for all such attorneys in future monthly and interim fee applications. DLA Piper’s rates are appropriate and fair. Further, there have not been any rate increases during the Compensation Period.⁴

9. DLA Piper submits that the legal services and advice that it rendered to AAFAF during the Compensation Period were necessary and beneficial to AAFAF and the Puerto Rico Treasury Department. DLA Piper respectfully submits that the requested compensation is reasonable and commensurate with the value of the professional services it provided to AAFAF and the Puerto Rico Treasury Department, the expertise of the professionals involved, and the unique and complex nature of the proceedings.

10. During the Compensation Period, DLA Piper did not receive any payments or promises of payment from any other source for services rendered or to be rendered in any

³ A copy of the Engagement Contracts is attached hereto as **Exhibit B**.

⁴ One attorney’s rate erroneously was increased by \$55 per hour in the January 2018 monthly fee application; as a result, \$22.00 will be credited to AAFAF.

capacity in connection with the matters covered by this Application. There is no agreement or understanding between DLA Piper and any other third party, other than partners of the firm, for sharing of compensation to be received for services rendered in this case.

SUMMARY OF SERVICES

11. DLA Piper provided essential professional services to AAFAF and the Puerto Rico Treasury Department during the Compensation Period. TERMS AND CONDITIONS

FIRST: The Authority engages the Law Firm to provide specialized legal and consulting services as may be requested by the Authority for the Government of Puerto Rico, the Authority and other agencies and public corporations (the "Clients"), from time to time, and as agreed to by the Law Firm.

SECOND: This Agreement shall be in effect from its date of execution until June 30, 2018.

Either party shall have the right to terminate this Agreement by providing the other party a thirty (30) days prior notice by registered mail, return receipt requested, or overnight express mail. If notice is given, this Agreement shall terminate upon the expiration of the thirty (30) day notice period and the Authority shall be obligated to pay all fees and expenses incurred up to the day of effective termination, in accordance with the terms of this Agreement.

The rights, duties and responsibilities of the Authority and the Law Firm shall continue in full force and effect during the thirty (30) day notice period. The Law Firm shall have no further right to compensation except for what has been accrued for services rendered under this Agreement until said date of effective termination.

The Office of the Chief of Staff of the Governor of Puerto Rico shall have the authority to terminate this Agreement at any time.

THIRD: As compensation for services rendered under the terms of this Agreement, the Authority will pay the Law Firm on an hourly rate basis as stipulated in Appendix A hereto, which includes the Law Firm's discounted hourly

- 3 -

rates reduced by an additional ten percent (10%). Invoices must identify entries for fractions of an hour based on tenths of an hour (.10). The amount to be paid by the Authority in relation to the services rendered under this Agreement, including fees and expenses, shall not exceed **THREE HUNDRED FIFTY THOUSAND DOLLARS (\$350,000)**. However, nothing herein shall preclude the parties from agreeing to increase said amount if the present limit should be reached, and with a prior written amendment to this Agreement in accordance with the Eighth and Thirty-Fourth Clauses of this Agreement.

Should the Law Firm assign an attorney not included in the schedule attached as **Appendix A** hereto to attend the Client's matters, the Law Firm shall promptly send the Authority an amended schedule to include such person's name, position and hourly rate, and request written approval from the Authority for such amended **Appendix A**.

FOURTH: The Authority will reimburse the Law Firm for expenses directly related to the services rendered under this Agreement and not considered part of the usual overhead of a professional office, for items such as travel and lodging, long distance telephone calls, fax and other telecommunication charges, filing fees, taxi fares, printing and delivery expenses, including services such as overnight mail, courier and messenger charges.

Any expense for which a reimbursement is requested, shall be reasonable and necessary, and any extraordinary expenses shall be authorized in writing and in advance by the Authority. The Authority will not reimburse expenses which do not

- 4 -

comply with this provision. Under no circumstances will expenses for alcoholic beverages be reimbursed.

Any petition for reimbursement of expenses must be accompanied by the corresponding invoice or receipt and shall specify the relation of the expense to the services rendered. All reimbursements shall be for actual expenses incurred and shall be billed at cost. The total amount invoiced as expenses during the term of this Agreement shall not exceed five percent (5%) of the maximum amount payable hereunder pursuant to the Third Clause.

When traveling is required to provide services under this Agreement, only one representative from the Law Firm shall be authorized to travel, unless otherwise authorized by the Executive Director of the Authority or an authorized representative responsible for the management of this Agreement. In order for the Authority to reimburse travel and lodging costs, they shall be authorized in writing and in advance by the Authority. For travel to places other than Puerto Rico, the Authority will notify and reimburse the Law Firm the daily meals and lodging allowances applicable to the place of travel, which shall be those published by the U.S. General Services Administration and the Defense Travel Management Office of the Department of Defense. For travel to Puerto Rico, the Authority will reimburse a maximum of amount of \$195 per night for lodging expenses, and will pay a daily per diem amount of \$58 for meals (no receipt will be required for payment of this per diem). Reimbursement for air travel expenses is restricted to the lowest economy class or coach fares available to the place of travel. In the event a scheduled trip is

- 5 -

cancelled for reasons not attributable to the Law Firm, the Authority will assume the cost of any penalty. The Authority shall not pay for travel time, except if specific services are rendered during travel time. Payment for travel time shall be made only if the invoice details the services rendered and the time billed on each matter, as required in this Agreement.

FIFTH: The Law Firm shall submit invoices which must include itemized details of the services rendered and the time spent on each matter. Invoices will comply with the Authority's Billing Guidelines for Outside Counsel ("Billing Guidelines for Outside Counsel"), as adopted by the Authority. Each invoice for professional services shall be itemized and must be duly certified by an authorized representative of the Law Firm. Copies of the receipts for expenses must accompany the invoices.

The Authority will review the invoices carefully and if it finds them acceptable, will proceed with payment. The Authority will not be subject to finance or payment charges regarding invoice payments.

The Authority reserves the right to conduct the audits of the invoices it deems necessary. Unless otherwise agreed to by the Authority, invoices must be submitted within one hundred twenty days (120) after the end of the month during which services were rendered. The Authority will not honor invoices submitted after this time, and the Law Firm accepts and agrees to this requirement, and understands that if the Law Firm does not comply with this requirement it waives its right to payment for services rendered.

- 6 -

SIXTH: Invoices must also include a written certification stating that no officer or employee of the Authority will derive or obtain any benefit or profit of any kind from this Agreement, with the acknowledgment that invoices which do not include this certification will not be paid. This certification must read as follows:

"We certify under penalty of nullity that no public servant of the Puerto Rico Fiscal Agency and Financial Advisory Authority, will derive or obtain any benefit or profit of any kind from the contractual relationship which is the basis of this invoice. If such benefit or profit exists, the required waiver has been obtained prior to entering into the Agreement. The only consideration to be received in exchange for the delivery of goods or for services provided is the agreed-upon price that has been negotiated with an authorized representative of the Puerto Rico Fiscal Agency and Financial Advisory Authority. The total amount shown on this invoice is true and correct. The services have been rendered, and no payment has been received."

SEVENTH: All invoices shall be signed and mailed or physically delivered to the attention of:

EIGHTH: The Law Firm agrees to notify the Authority within five (5) working days after the end of the month in which work is performed, even if not yet billed, if the fees accrued during such month exceeds three fourths (3/4) of the maximum amount to be paid under this Agreement. The written notification shall include, to the extent practicable, a detailed report of projected services for the

- 7 -

duration of the Agreement that entail a possible increase to the limit established and a request addressed to the Executive Director of the Authority to increase said amount. The Law Firm hereby agrees to comply with these responsibilities with respect to the notification requirements and the report to be submitted. Furthermore, the Law Firm understands and accepts that it may exceed the maximum amount established herein only with prior written amendment to this Agreement. If the Law Firm does not comply with these requirements, it waives its rights to payment for services rendered in excess of the maximum amount established in the Agreement, even after they have been provided.

NINTH: The Law Firm shall not subcontract the legal services under this Agreement, or contract consultants or other services without the prior written authorization of the Executive Director of the Authority. A request to subcontract, or to contract experts or other consultants, shall specify the issues or matters that will be referred to the supplier. The professional fees earned by these suppliers will be deducted from the total maximum amount that the Law Firm may receive under the terms of this Agreement, as set forth in the Third Clause.

The Law Firm shall include the fees and expenses paid to an authorized subcontracted firm or person with the invoices it submits to the Authority as set forth in this Agreement.

TENTH: The Authority certifies that the funds for the payment of services rendered under this Agreement come from budgeted allocations and all required approvals and authorizations for its execution and performance by the Authority

- 8 -

have been obtained. All disbursements for the payment of services provided hereunder shall be made from account number 111-2950000-0001-006-2018. The Law Firm agrees to submit checking account transfer data to the Authority in order to facilitate future contract payments by means of electronic transfers.

ELEVENTH: The Law Firm shall not request any payment for the services rendered under the terms of this Agreement until it has been registered by the Authority at the Office of the Comptroller of Puerto Rico as established in Act No. 18 enacted on October 30, 1975, as amended.

TWELFTH: The Law Firm will submit any written reports required by the Authority regarding the services rendered. This requirement shall not be interpreted as a waiver by the Authority of the Law Firm's ethical obligation and responsibility of keeping the Authority informed of the progress of the assigned matters. This obligation includes the Law Firm's commitment to submit status and progress reports of all assigned matters as required by the Authority and preparing and delivering to the Authority's external auditors, in a timely manner, the legal letters periodically requested in connection with pending or threatened litigation, claims and assessments or loss contingencies, as part of the financial statements audit process for the Authority. The Law Firm shall not invoice the time spent in preparing these status reports and letters to auditors, as it is understood that both are administrative obligations complementary to the services rendered hereunder.

THIRTEENTH: The Authority will provide all the documentation necessary for the adequate fulfillment of the Law Firm's obligations under this Agreement.

- 9 -

FOURTEENTH: The Law Firm acknowledges the proprietary and confidential nature of all internal, non-public, information systems, financial, and business information relating to the Authority, as well as to the Government of Puerto Rico, its agencies, corporations or municipalities, now or hereafter provided to the Law Firm.

The Law Firm shall keep in strict confidence all such information and shall not make public or disclose any of said information without the previous written consent of the Authority, provided such information is not previously known to the Law Firm, is not within the public domain, or is not furnished to the Law Firm by a third party who is under no obligation to keep the information confidential.

Notwithstanding the above, the Law Firm may divulge such materials and information, if required to be disclosed by law, or to the persons who need to know such information to fulfill the purposes of this engagement, provided that such persons shall have been advised of the confidential nature of such information and the Law Firm shall direct them, and they shall agree, to treat such information as confidential and to return all materials to the Law Firm upon request.

The Law Firm will promptly, upon the written request of the Authority, deliver to the Authority the materials, and all work-product, working papers, reports, analyses and all documents related to the work conducted hereunder. The Law Firm shall not invoice the time spent to gather and deliver such information, as it is understood that this is an administrative obligation complementary to the services rendered hereunder.

This provision shall survive the expiration or termination of this Agreement.

FIFTEENTH: The Law Firm's negligent discharge or abandonment of the duties assigned hereunder or the breach of the confidentiality clause hereinabove shall constitute a breach of this Agreement by the Law Firm and the Authority will be entitled to terminate this Agreement forthwith, without having to comply with the requirements of notice set forth above, without limitations of any other rights and remedies under law and will release and discharge the Authority from any further obligations and liabilities hereunder.

SIXTEENTH: The Law Firm acknowledges that in executing its professional services pursuant to this Agreement, it has the obligation to exhibit complete loyalty towards the Clients, including having no adverse interests. "Adverse interests" means representing clients who have or may have interests that are contrary to the Clients, but does not include rendering services that are unrelated to this engagement. This duty includes, in accordance with and as permitted by applicable ethical and professional responsibility rules, the continued obligation to disclose to the Authority all circumstances of its relations with clients and third parties which would result in an adverse interest, and any adverse interest which would influence the Law Firm when executing the Agreement or while it is in effect. The Authority acknowledges that the Law Firm is a large global firm having multiple financial institutions and investors as clients, and with or without the Law Firm's knowledge, any of such clients may from time to time acquire, hold or trade interests adverse to the Clients. The Law Firm's representations of those clients in unrelated matters

- 11 -

shall not be deemed conflicts or influences on the Law Firm within the meaning of this Agreement.

In providing professional services pursuant to this Agreement, the Law Firm will follow all legal and ethical requirements to which it is subject under the relevant rules and procedures and other applicable legal and professional associations and organizations, including those under applicable Puerto Rico law or regulation. In contracts with partnerships and firms, the conduct herein described by one of its directors, partners or employees, as such legal and ethical requirements apply to each one of them, shall constitute a violation of this prohibition. The Law Firm shall endeavor to avoid even the appearance of the existence of a conflict of interest.

The Law Firm acknowledges the power of the Executive Director of the Authority to oversee the enforcement of the prohibitions herein established. If the Executive Director of the Authority determines the existence or the emergence of adverse interests with the Law Firm, he shall inform such findings in writing and his intentions to terminate the Agreement within thirty (30) days. Within such term, the Law Firm can request a meeting with the Executive Director of the Authority to present its arguments regarding the alleged conflict of interest. This meeting shall be granted in every case. If such meeting is not requested within the specified term, or if the controversy is not settled satisfactorily during the meeting, this Agreement shall be terminated at the end of said thirty (30) day period.

SEVENTEENTH: The Law Firm certifies that, except as disclosed in Clause SIXTEENTH, at the time of the execution of this Agreement, it does not have nor

- 12 -

does it represent anyone who has interests that are in conflict with the Clients. If such conflicting interests arise after the execution of this Agreement, the Law Firm shall notify the Authority immediately.

EIGHTEENTH: The Authority and the Law Firm agree that the Law Firm's status hereunder, and the status of any agents, employees and subcontractors engaged by the Law Firm, shall be that of an independent contractor only and not that of an employee or agent of the Authority. The Law Firm recognizes that it shall not be entitled to employment benefits such as vacations, sick leave, retirement benefits and others because of its condition as an independent contractor. The Law Firm shall not have any power or right to enter into contracts on behalf of the Authority.

NINETEENTH: The Law Firm certifies that at the time of execution of this Agreement, it has no other contracts with agencies, public corporations, municipalities, or instrumentalities, in each case of the Government of Puerto Rico.

TWENTIETH: The Law Firm certifies and guarantees that at the execution of this Agreement, neither it nor any of its partners have been convicted, or that it has no knowledge of being the subject of any investigation in either a civil or a criminal procedure in a state or federal court for charges related to the public treasury, the public trust, a public function, or a fault that involves public funds or property. It is expressly acknowledged that this certification is an essential condition of this Agreement. If the certification is not correct in its entirety or in any of its parts, it shall constitute sufficient cause for the Authority to terminate this Agreement

- 13 -

immediately, without prior notice, and the Law Firm will have to reimburse to the Authority any amount of money received under this Agreement as may be required by applicable law.

If the status of the Law Firm with regards to the charges previously mentioned should change at any time during the term of the Agreement, it shall notify the Authority immediately. The failure to comply with this responsibility constitutes a violation of this clause, and shall result in the remedies mentioned previously.

The Law Firm certifies having received a copy of and agrees to comply with Act 84-2002, as amended, which establishes the Code of Ethics for Contractors, Suppliers and Applicants for Economic Incentives of the Executive Agencies of the Government of the Commonwealth of Puerto Rico, with the Government Ethics Law of Puerto Rico of 2011, Act No. 1-2012, as amended, and with the Billing Guidelines for Outside Counsel.

The Law Firm certifies and warrants that at the time of execution of this Agreement the Law Firm is in compliance with Act No. 168-2000, as amended, known as "Act for the Improvement of Family Assistance and for the Support of the Elderly." In the event the Law Firm is under a court or administrative order directing the Law Firm to provide financial support or to fulfill any obligation under the mentioned Act, the Law Firm further certifies and warrants that it is in compliance with said obligations. It is expressly acknowledged that the above certification is an essential condition of this Agreement. If the certification is not correct in its entirety

- 14 -

or in any of its parts, it shall constitute sufficient cause for the Authority to terminate the Agreement immediately, without prior notice to the Law Firm.

TWENTY-FIRST: Both parties hereby declare that no public officer or employee of the Government of Puerto Rico, its agencies, instrumentalities, public corporations or municipalities or employee of the Legislative or Judicial branches of the Government has any direct or indirect interest in the present Agreement.

TWENTY-SECOND: The Law Firm certifies that none of its partners receives salary or any kind of compensation for the delivery of regular services by appointment in any agency, instrumentality, public corporation or municipality of the Government of Puerto Rico.

TWENTY-THIRD: The Law Firm certifies that as of the date of execution of this Agreement, it has a sufficient professional liability insurance policy to adequately provide for any liability that may arise from the services provided under this Agreement. It shall be the Law Firm's obligation to submit to the Authority the corresponding certification from its insurance company evidencing such coverage. The Law Firm acknowledges that compliance with this obligation is a prerequisite for the Authority to make the first payment for services rendered under this Agreement.

TWENTY-FOURTH: The Law Firm certifies that at the execution of this Agreement it does not have and has not had to submit income tax returns in Puerto Rico during the past five years, and that it has no outstanding debts with the Government of Puerto Rico for income taxes, real or chattel property taxes.

- 15 -

The Law Firm also certifies that it does not have outstanding debts regarding its payment of unemployment insurance premiums, workers' compensation payments, Social Security for chauffeurs in Puerto Rico or the Administration for the Sustenance of Minors (known by its Spanish acronym, "ASUME").

Accordingly, a sworn statement subscribed by Joe Alexander, Partner in the Law Firm, is appended hereto and made to form part of this Agreement as Appendix B.

It is expressly acknowledged that the certifications provided by the Law Firm in this Clause are essential conditions of this Agreement, and if these certifications are incorrect, the Authority shall have just cause for terminating this Agreement immediately.

TWENTY-FIFTH: The Law Firm will be responsible for providing the Authority with the information required under the previous Clause from any professional or technical consultants subcontracted by the Law Firm as authorized by the Authority. For purposes of this clause, any subcontractor engaged by the Law Firm in accordance to the conditions herein established, or who dedicates twenty-five percent (25%) or more of his or her time to provide services related to the Agreement on behalf of the Law Firm, will be considered a subcontractor.

TWENTY-SIXTH: For purposes of this Agreement, tax debt shall mean any debt that the Law Firm, or any of its partners or other parties which the Authority authorizes the Law Firm to subcontract, may have with the Government of Puerto Rico for income taxes, excise taxes, real or chattel property taxes, including any

- 16 -

special taxes levied, license rights, tax withholdings for payment of salaries and professional services, taxes for payment of interests, dividends and income to individuals, corporations and non-resident partnerships, for payment of interests, dividends and other earnings shares to residents, unemployment insurance premiums, workers' compensation payments, Social Security for chauffeurs, and ASUME.

TWENTY-SEVENTH: Except as provided in the next paragraph, no withholding or deductions shall be made from payments to the Law Firm for income tax purposes. The Law Firm shall be responsible for paying: (i) all applicable income taxes in accordance with any and all applicable income tax laws and (ii) any corresponding contributions to the Social Security Administration. Payments due to the Law Firm shall be paid into a bank account in the United States designated by the Law Firm.

When invoicing the Authority, the Law Firm will allocate fees between those relating to activities undertaken outside Puerto Rico and constituting gross income from sources without Puerto Rico, and those relating to activities undertaken within Puerto Rico and constituting gross income from sources within Puerto Rico. The Authority shall deduct and withhold twenty-nine percent (29%) of the gross amounts paid for services relating to activities undertaken within Puerto Rico, when any of the invoiced amounts constitute gross income from sources within Puerto Rico, in accordance with Section 1062.11 of the Puerto Rico Internal Revenue Code, Act No. 1-2011, as amended. The Authority shall also deduct a special contribution

- 17 -

of one point five percent (1.5%) of the gross amounts paid under this Agreement, in accordance with Article 1 of Act No. 48-2013, as amended. The Authority shall forward such amount to the Department of the Treasury of Puerto Rico.

TWENTY-EIGHTH: The Law Firm certifies that none of the partners in its office is required to obtain a waiver in compliance with the applicable laws and regulations of the Commonwealth of Puerto Rico prior to the execution of this Agreement.

TWENTY-NINTH: This Agreement shall be governed by the laws of the Commonwealth of Puerto Rico.

THIRTIETH: The court and authorities of the Commonwealth of Puerto Rico shall have jurisdiction over all controversies that may arise with respect to this Agreement. The parties hereby waive any other venue to which they might be entitled by virtue of domicile or otherwise. Should either party initiate or bring suit or action before any other court, it is agreed that upon application, any such suit or action shall be dismissed, without prejudice, and may be filed in accordance with this provision. The party bringing the suit or action before a court not agreed to herein shall pay to the other party all the costs of seeking dismissal including reasonable attorney's fees. Should any clause or condition of this Agreement be declared null and void by a competent court of law, the remaining parts of this Agreement shall remain in full force and effect.

THIRTY-FIRST: The assignment of this Agreement by either party shall be sufficient cause to terminate it immediately, except if the assignment is made by the

- 18 -

Authority to a successor entity of the Authority, in which case, such assignment shall be considered effective with only a written notice to the Law Firm. Upon such occurrence, this Agreement shall be binding and inure to the benefit of the Authority's successors and assigns.

THIRTY-SECOND: Both parties acknowledge and agree that the contracted services may be provided to any entity of the Executive Branch with which the Authority subscribes an interagency agreement or by direct disposition of the Office of the Chief of Staff of the Governor of Puerto Rico. These services will be provided under the same terms and conditions regarding work hours and compensation as set forth in this Agreement. For the purposes of this Clause, the term "entity of the Executive Branch" includes all agencies of the Government of Puerto Rico, as well as instrumentalities, public corporations and the Governor's Office.

THIRTY-THIRD: The Law Firm certifies that neither it, nor any of its directors, executives, officers or employees, offered or paid, directly or indirectly, any commissions, referrals, contracts, or any other consideration having an economic value, to a third party as a condition for obtaining this Agreement or to influence in any way its execution. In addition, the Law Firm certifies that it shall not pay any commissions, make any referrals, execute any contracts, or provide any other consideration having an economic value, to a third party for the services to be rendered under this Agreement, except for any subcontracts authorized by the Authority in accordance with the provisions established herein.

- 19 -

THIRTY-FOURTH: It is understood that this Agreement is the sole agreement between the parties with regard to the services covered hereby and supersedes any prior agreements written or verbal. This Agreement may not be changed orally, but may be amended in writing, by mutual agreement of the parties.

IN WITNESS THEREOF, the parties hereto sign this Agreement, in San Juan, Puerto Rico, and in Miami, Florida, this 7 day of July, 2017.

APPEAR

AS PARTY OF THE FIRST PART: The PUERTO RICO FISCAL AGENCY AND FINANCIAL ADVISORY AUTHORITY, a public corporation of the Government of Puerto Rico, created by Act Number 2, enacted on January 18, 2017 ("Act 2"), represented herein by its Executive Director, Gerardo José Portela Franco, of legal age, single, and a resident of San Juan, Puerto Rico, and its General Counsel, Adriana Capacete Cabassa, of legal age, single and resident of San Juan, Puerto Rico (hereinafter referred to as the "Authority").

AS PARTY OF THE SECOND PART: DLA PIPER (PUERTO RICO) LLC, a domestic for profit limited liability corporation organized and existing under the laws of Puerto Rico, with offices at Edificio Ochoa, Suite 401, 500 Calle de la Tanca, San Juan, Puerto Rico 00901-1969, represented herein by its authorized member, Manuel Lopez-Zambrana, of legal age, married and a resident of San Juan, Puerto Rico (hereinafter, the "Law Firm").

WHEREAS: The Authority, by virtue of the powers conferred to it under Act 2, wishes to engage the Law Firm to provide specialized legal and consulting services upon matters which from time to time may be referred by the Authority, and the Law Firm has agreed to provide such services.

NOW, THEREFORE, the Authority and the Law Firm enter into this Agreement for Legal Services (hereinafter, the "Agreement") under the following:

TERMS AND CONDITIONS

FIRST: The Authority engages the Law Firm to provide specialized legal and consulting services as may be requested by the Authority for the Government of Puerto Rico, the Authority and other agencies and public corporations (the "Clients"), from time to time, and as agreed to by the Law Firm.

SECOND: This Agreement shall be in effect from its date of execution until June 30, 2018.

Either party shall have the right to terminate this Agreement by providing the other party a thirty (30) days prior notice by registered mail, return receipt requested, or overnight express mail. If notice is given, this Agreement shall terminate upon the expiration of the thirty (30) day notice period and the Authority shall be obligated to pay all fees and expenses incurred up to the day of effective termination, in accordance with the terms of this Agreement.

The rights, duties and responsibilities of the Authority and the Law Firm shall continue in full force and effect during the thirty (30) day notice period. The Law Firm shall have no further right to compensation except for what has been accrued for services rendered under this Agreement until said date of effective termination.

The Office of the Chief of Staff of the Governor of Puerto Rico shall have the authority to terminate this Agreement at any time.

 **THIRD:** As compensation for services rendered under the terms of this Agreement, the Authority will pay the Law Firm on an hourly rate basis as stipulated in Appendix A hereto, which includes the Law Firm's discounted hourly rates reduced by an additional ten percent (10%). Invoices must identify entries for fractions of an hour based on tenths of an hour (.10). The amount to be paid by the Authority in relation to the services rendered under this Agreement, including fees and expenses, shall not exceed **THREE HUNDRED FIFTY THOUSAND DOLLARS (\$350,000)**. However, nothing herein shall preclude the parties from agreeing to increase said amount if the present limit should be reached, and with a prior written amendment to this Agreement in accordance with the Eighth and Thirty-Fourth Clauses of this Agreement.

Should the Law Firm assign an attorney not included in the schedule attached as Appendix A hereto to attend the Client's matters, the Law Firm shall promptly send the Authority an amended schedule to include such person's name, position and hourly rate, and request written approval from the Authority for such amended Appendix A.

FOURTH: The Authority will reimburse the Law Firm for expenses directly related to the services rendered under this Agreement and not considered part of the

usual overhead of a professional office, for items such as travel and lodging, long distance telephone calls, fax and other telecommunication charges, filing fees, taxi fares, printing and delivery expenses, including services such as overnight mail, courier and messenger charges.

Any **expense** for which a reimbursement is requested, shall be reasonable and necessary, and any extraordinary expenses shall be **authorized in writing and in advance** by the Authority. The Authority will not reimburse expenses which do not comply with this provision. Under no circumstances will expenses for alcoholic beverages be reimbursed.

Any petition for **reimbursement of expenses** must be accompanied by the **corresponding invoice or receipt** and shall specify the relation of the expense to the services rendered. All reimbursements shall be for actual expenses incurred and shall be billed at cost. The total amount invoiced as expenses during the term of this Agreement **shall not exceed five percent (5%) of the maximum amount payable hereunder pursuant to the Third Clause.**

When traveling outside of Puerto Rico is required to provide services under this Agreement, only one representative from the Law Firm shall be authorized to travel, unless otherwise authorized by the Executive Director of the Authority or an authorized representative responsible for the management of this Agreement. **In order for the Authority to reimburse travel and lodging costs, they shall be authorized in writing and in advance by the Authority.** The Authority will notify the Law Firm the daily meals and lodging allowances applicable to the place of travel, which shall be those published by the U.S. General Services Administration and the Defense Travel Management Office of the Department of Defense. Reimbursement for air travel expenses is restricted to the lowest economy class or coach fares available to the place of travel. In the event a scheduled trip is cancelled for reasons not attributable to the Law Firm, the Authority will assume the cost of any penalty. The Authority shall not pay for travel time, except if specific services are rendered during travel time.

Payment for travel time shall be made only if the invoice details the services rendered and the time billed on each matter, as required in this Agreement.

FIFTH: The Law Firm shall submit invoices which must include itemized details of the services rendered and the time spent on each matter. Invoices will comply with the Government Development Bank for Puerto Rico's Billing Practices for Outside Counsel, May 2015 ("GDB's Billing Practices for Outside Counsel"), as adopted by the Authority. Each invoice for professional services shall be itemized and must be duly certified by an authorized representative of the Law Firm. Copies of the receipts for expenses must accompany the invoices.

The Authority will review the invoices carefully and if it finds them acceptable, will proceed with payment. The Authority will not be subject to finance or payment charges regarding invoice payments.

The Authority reserves the right to conduct the audits of the invoices it deems necessary. Unless otherwise agreed to by the Authority, invoices must be submitted within one hundred twenty days (120) after the end of the month during which services were rendered. The Authority will not honor invoices submitted after this time, and the Law Firm accepts and agrees to this requirement, and understands that if the Law Firm does not comply with this requirement it waives its right to payment for services rendered.

SIXTH: Invoices must also include a written certification stating that no officer or employee of the Authority will derive or obtain any benefit or profit of any kind from this Agreement, with the acknowledgment that invoices which do not include this certification will not be paid. This certification must read as follows:

If such benefit or profit exists, the required waiver has been obtained prior to entering into the Agreement. The only consideration to be received in exchange for the delivery of goods or for services provided is the agreed-upon price that has been negotiated with an authorized representative of the Puerto Rico Fiscal Agency and Financial Advisory Authority. The total amount shown on this invoice is true and correct. The services have been rendered, and no payment has been received."

EIGHTH: The Law Firm agrees to notify the Authority within five (5) working days after the end of the month in which work is performed, even if not yet billed, if the fees accrued during such month exceeds three fourths (3/4) of the maximum amount to be paid under this Agreement. The written notification shall include, to the extent practicable, a detailed report of projected services for the duration of the Agreement that entail a possible increase to the limit established and a request addressed to the Executive Director of the Authority to increase said amount. The Law Firm hereby agrees to comply with these responsibilities with respect to the notification requirements and the report to be submitted. Furthermore, the Law Firm understands and accepts that it may exceed the maximum amount established herein only with prior written amendment to this Agreement. If the Law Firm does not comply with these requirements, it waives its rights to payment for services rendered in excess of the maximum amount established in the Agreement, even after they have been provided.

NINTH: The Law Firm shall not subcontract the legal services under this Agreement, or contract consultants or other services, without the prior written authorization of the Executive Director of the Authority or any authorized representative. A request to subcontract, or to contract experts or other consultants, shall specify the issues or matters that will be referred to the supplier. The professional fees earned by these suppliers will be deducted from the total maximum amount that the Law Firm may receive under the terms of this Agreement, as set forth in the Third Clause.

The Law Firm shall include the fees and expenses paid to an authorized subcontracted firm or person with the invoices it submits to the Authority as set forth in this Agreement.

TENTH: The Authority certifies that the funds for the payment of services rendered under this Agreement come from budgeted allocations and all required approvals and authorizations for its execution and performance by the Authority have been obtained. All disbursements for the payment of services provided hereunder shall be made from account number 111-2950000-0001-006-2018. The Law Firm agrees to submit checking account transfer data to the Authority in order to facilitate future contract payments by means of electronic transfers.

ELEVENTH: The Law Firm shall not request any payment for the services rendered under the terms of this Agreement until it has been registered by the Authority at the Office of the Comptroller of Puerto Rico as established in Act No. 18 enacted on October 30, 1975, as amended.

 **TWELFTH:** The Law Firm will submit any written reports required by the Authority regarding the services rendered. This requirement shall not be interpreted as a waiver by the Authority of the Law Firm's ethical obligation and responsibility of keeping the Authority informed of the progress of the assigned matters. This obligation includes the Law Firm's commitment to submit status and progress reports of all assigned matters as required by the Authority and preparing and delivering to the Authority's external auditors, in a timely manner, the legal letters periodically requested in connection with pending or threatened litigation, claims and assessments or loss contingencies, as part of the financial statements audit process for the Authority. The Law Firm shall not invoice the time spent in preparing these status reports and letters to auditors, as it is understood that both are administrative obligations complementary to the services rendered hereunder.

THIRTEENTH: The Authority will provide all the documentation necessary for the adequate fulfillment of the Law Firm's obligations under this Agreement.

FOURTEENTH: The Law Firm acknowledges the proprietary and confidential nature of all internal, non-public, information systems, financial, and business information relating to the Authority, as well as to the Government of Puerto Rico, its agencies, corporations or municipalities, now or hereafter provided to the Law Firm.

The Law Firm shall keep in strict confidence all such information and shall not make public or disclose any of said information without the previous written consent of the Authority, provided such information is not previously known to the Law Firm, is not within the public domain, or is not furnished to the Law Firm by a third party who is under no obligation to keep the information confidential.

Notwithstanding the above, the Law Firm may divulge such materials and information, if required to be disclosed by law, or to the persons who need to know such information to fulfill the purposes of this engagement, provided that such persons shall have been advised of the confidential nature of such information and the Law Firm shall direct them, and they shall agree, to treat such information as confidential and to return all materials to the Law Firm upon request.

The Law Firm will promptly, upon the written request of the Authority, deliver to the Authority the materials, and all work-product, working papers, reports, analyses and all documents related to the work conducted hereunder. The Law Firm shall not invoice the time spent to gather and deliver such information, as it is understood that this is an administrative obligation complementary to the services rendered hereunder.

FIFTHTEENTH: The Law Firm's negligent discharge or abandonment of the duties assigned hereunder or the breach of the confidentiality clause hereinabove shall constitute a breach of this Agreement by the Law Firm and the Authority will be entitled to terminate this Agreement forthwith, without having to comply with the requirements of notice set forth above, without limitations of any other rights and remedies under law and will release and discharge the Authority from any further obligations and liabilities hereunder.

SIXTEENTH: The Law Firm acknowledges that in executing its professional services pursuant to this Agreement, it has the obligation to exhibit complete loyalty towards the Clients, including having no adverse interests. "Adverse interests" means representing clients who have or may have interests that are contrary to the Clients, but does not include rendering services that are unrelated to this engagement. This duty includes, in accordance with and as permitted by applicable ethical and professional responsibility rules, the continued obligation to disclose to the Authority all circumstances of its relations with clients and third parties which would result in an adverse interest, and any adverse interest which would influence the Law Firm when executing the Agreement or while it is in effect. The Authority acknowledges that the Law Firm is a large global firm having multiple financial institutions and investors as clients, and with or without the Law Firm's knowledge, any of such clients may from time to time acquire, hold or trade interests adverse to the Clients. The Law Firm's representations of those clients in unrelated matters shall not be deemed conflicts or influences on the Law Firm within the meaning of this Agreement.

 In providing professional services pursuant to this Agreement, the Law Firm will follow all legal and ethical requirements to which it is subject under applicable Puerto Rico laws or regulations, and other applicable legal and professional associations and organizations. This conduct by one of the Firm's members, directors, officers, agents or employees, as such legal and ethical requirements apply to each one of them, shall constitute a violation of this prohibition. The Law Firm shall endeavor to avoid even the appearance of the existence of a conflict of interest.

The Law Firm acknowledges the power of the Executive Director of the Authority to oversee the enforcement of the prohibitions herein established. If the Executive Director of the Authority determines the existence or the emergence of adverse interests with the Law Firm, he shall inform such findings in writing and his intentions to terminate the Agreement within thirty (30) days. Within such term, the Law Firm can request a meeting with the Executive Director of the Authority to

present its arguments regarding the alleged conflict of interest. This meeting shall be granted in every case. If such meeting is not requested within the specified term, or if the controversy is not settled satisfactorily during the meeting, this Agreement shall be terminated at the end of said thirty (30) day period.

SEVENTEENTH: The Law Firm certifies that, except as disclosed in Clause SIXTEENTH, at the time of the execution of this Agreement, it does not have nor does it represent anyone who has interests that are in conflict with the Clients. If such conflicting interests arise after the execution of this Agreement, the Law Firm shall notify the Authority immediately.

EIGHTEENTH: The Authority and the Law Firm agree that the Law Firm's status hereunder, and the status of any agents, employees and subcontractors engaged by the Law Firm, shall be that of an independent contractor only and not that of an employee or agent of the Authority. The Law Firm recognizes that it shall not be entitled to employment benefits such as vacations, sick leave, retirement benefits and others because of its condition as an independent contractor. The Law Firm shall not have any power or right to enter into contracts on behalf of the Authority.

 **NINETEENTH:** The Law Firm certifies that at the time of execution of this Agreement, it has executed a contract with the Puerto Rico Aqueduct and Sewer Authority.

TWENTIETH: The Law Firm certifies and guarantees that at the execution of this Agreement, neither it nor any of its, members, have been convicted, and that it has no knowledge of being the subject of any investigation in either a civil or a criminal procedure in a state or federal court for charges related to the public treasury, the public trust, a public function, or a fault that involves public funds or property. It is expressly acknowledged that this certification is an essential condition of this Agreement. If the certification is not correct in its entirety or in any of its parts, it shall constitute sufficient cause for the Authority to terminate this Agreement immediately, without prior notice, and the Law Firm will have to reimburse to the Authority any

amount of money received under this Agreement as may be required by applicable law.

If the status of the Law Firm with regards to the charges previously mentioned should change at any time during the term of the Agreement, it shall notify the Authority immediately. The failure to comply with this responsibility constitutes a violation of this clause, and shall result in the remedies mentioned previously.

The Law Firm agrees to comply with Act 84-2002, as amended, which establishes the Code of Ethics for Contractors, Suppliers and Applicants for Economic Incentives of the Executive Agencies of the Government of the Commonwealth of Puerto Rico, with the Government Ethics Law of Puerto Rico of 2011, Act No. 1-2012, as amended, and with the GDB's Billing Practices for Outside Counsel. The Law Firm certifies having received copy of both Acts, as well as of GDB's Billing Practices for Outside Counsel.

78
The Law Firm certifies and warrants that at the time of execution of this Agreement the Law Firm is in compliance with Act No. 168-2000, as amended, known as "Act for the Improvement of Family Assistance and for the Support of the Elderly." In the event the Law Firm is under a court or administrative order directing the Law Firm to provide financial support or to fulfill any obligation under the mentioned Act, the Law Firm further certifies and warrants that it is in compliance with said obligations. It is expressly acknowledged that the above certification is an essential condition of this Agreement. If the certification is not correct in its entirety or in any of its parts, it shall constitute sufficient cause for the Authority to terminate the Agreement immediately, without prior notice to the Law Firm.

TWENTY-FIRST: Both parties hereby declare that no public officer or employee of the Government of Puerto Rico, its agencies, instrumentalities, public corporations or municipalities or employee of the Legislative or Judicial branches of the Government of Puerto Rico has any direct or indirect interest in the present Agreement.

TWENTY-SECOND: The Law Firm certifies that none of its directors, executives, officers and employees receives salary or any kind of compensation for the delivery of regular services by appointment in any agency, instrumentality, public corporation or municipality of the Government of Puerto Rico.

TWENTY-THIRD: The Law Firm certifies that as of the date of execution of this Agreement, it has a sufficient professional liability insurance policy to adequately provide for any liability that may arise from the services provided under this Agreement. It shall be the Law Firm's obligation to submit to the Authority the corresponding certification from its insurance company evidencing such coverage. The Law Firm acknowledges that compliance with this obligation is a prerequisite for the Authority to make the first payment for services rendered under this Agreement.

TWENTY-FOURTH: The Law Firm represents that at the execution of this Agreement it has not submitted income tax returns in Puerto Rico during the past five (5) years since it was organized on May 5, 2016. The Law Firm also represents that it does not have outstanding debts regarding its payment of income taxes, real or chattel property taxes, unemployment insurance premiums, workers' compensation payments or Social Security for chauffeurs in Puerto Rico and the Administration for the Sustenance of Minors (known by its Spanish acronym, and hereinafter referred to as, ASUME).

The Law Firm shall present to the Authority the certifications issued by the Department of the Treasury, the Department of Labor and Human Resources, the Municipal Tax Collection Center (known by its Spanish acronym, *CRIM*), and ASUME, stating that it has no outstanding debts. In addition, the Law Firm shall present to the Authority a certificate of incorporation and a Good Standing certificate issued by the Department of State of Puerto Rico as proof that it is duly authorized to do business in Puerto Rico and has complied with its annual corporation report filing obligations.

It is expressly acknowledged that the representations provided by the Law Firm in this Clause are essential conditions of this Agreement, and if these representations are

incorrect, the Authority shall have just cause for its immediate termination, and the Law Firm will have to reimburse the Authority any sums of money received under this Agreement as may be required by applicable law.

TWENTY-FIFTH: The Law Firm will be responsible for providing the Authority with the information required under the previous Clause from any professional or technical consultants subcontracted by the Law Firm as authorized by the Authority. For purposes of this clause, any subcontractor engaged by the Law Firm in accordance to the conditions herein established, or who dedicates twenty-five percent (25%) or more of his or her time to provide services related to the Agreement on behalf of the Law Firm, will be considered a subcontractor.

TWENTY-SIXTH: For purposes of this Agreement, tax debt shall mean any debt that the Law Firm or other parties which the Authority authorizes the Law Firm to subcontract, may have with the Government of Puerto Rico for income taxes, excise taxes, real or chattel property taxes, including any special taxes levied, license rights, tax withholdings for payment of salaries and professional services, taxes for payment of interests, dividends and income to individuals, corporations and non-resident partnerships, for payment of interests, dividends and other earnings shares to residents, unemployment insurance premiums, workers' compensation payments, Social Security for chauffeurs, and *ASUME*.

TWENTY-SEVENTH: The Law Firm is an independent contractor and as such shall be responsible for the payment of all of its income taxes, their subcontractors, and its individual and employers' withholdings under the applicable tax laws of Puerto Rico or the U.S. Internal Revenue Code. No withholdings or deductions shall be made from payments to the Law Firm for services rendered, except the special contribution of one point five percent (1.5%) of the gross amounts paid under this Agreement, in accordance with Article 1 of Act No. 48-2013, as amended, and if applicable, those applicable in accordance with the Puerto Rico Internal Revenue Code and its regulations. The Authority shall forward any such amounts to the Department of the Treasury of Puerto Rico.

TWENTY-EIGHTH: The Law Firm certifies that it is not required to obtain a waiver in compliance with the applicable laws and regulations of the Commonwealth of Puerto Rico prior to the execution of this Agreement.

TWENTY-NINTH: This Agreement shall be governed by the laws of the Commonwealth of Puerto Rico.

THIRTIETH: The court and authorities of the Commonwealth of Puerto Rico shall have jurisdiction over all controversies that may arise with respect to this Agreement. The parties hereby waive any other venue to which they might be entitled by virtue of domicile or otherwise. Should either party initiate or bring suit or action before any other court, it is agreed that upon application, any such suit or action shall be dismissed, without prejudice, and may be filed in accordance with this provision. The party bringing the suit or action before a court not agreed to herein shall pay to the other party all the costs of seeking dismissal including reasonable attorney's fees. Should any clause or condition of this Agreement be declared null and void by a competent court of law, the remaining parts of this Agreement shall remain in full force and effect.

THIRTY-FIRST: The assignment of this Agreement by either party shall be sufficient cause to terminate it immediately, except if the assignment is made by the Authority to a successor entity of the Authority, in which case, such assignment shall be considered effective with only a written notice to the Law Firm. Upon such occurrence, this Agreement shall be binding and inure to the benefit of the Authority's successors and assigns.

THIRTY-SECOND: Both parties acknowledge and agree that the contracted services may be provided to any entity of the Executive Branch with which the Authority subscribes an interagency agreement or by direct disposition of the Office of the Chief of Staff of the Governor of Puerto Rico. These services will be provided under the same terms and conditions regarding work hours and compensation as set forth in this Agreement. For the purposes of this Clause, the term "entity of the

Executive Branch" includes all agencies of the Government of Puerto Rico, as well as instrumentalities, public corporations and the Governor's Office.

THIRTY-THIRD: The Law Firm certifies that neither it, nor any of its directors, executives, officers or employees, offered or paid, directly or indirectly, any commissions, referrals, contracts, or any other consideration having an economic value, to a third party as a condition for obtaining this Agreement or to influence in any way its execution.
